

HP MILCY CNG 15W-40

Long Drain CNG Engine Oil

DESCRIPTION

HP MILCY CNG Engine Oil 15W 40 is a Long Drain CNG Engine Oil which provides excellent performance in the challenging operating environments presented by Compressed Natural Gas (CNG) and offers extended drain interval capability. The optimized Ash Content in the oil helps in protecting against excessive valve recession & spark plug fouling.

SPECIFICATIONS

Meets the requirements of API CG-4

APPLICATIONS AREAS

Light & Heavy vehicles running on CNG.

PERFORMANCE BENEFITS

- Extended Drain Interval
- Good control on Oxidation & Nitration
- Exceptional control on Deposits & Wear
- Ensures engine durability
- Reduced NOx formation

PHYSICO-CHEMICAL PROPERTIES (TYPICAL)

HP MILCY CNG ENGINE OIL	15W 40
Kinematic Viscosity, cSt, @ 100°C	14.4
Viscosity Index	120
Pour Point °C	-27
TBN mg KOH/gm	7
